MEMORANDUM FOR: Acting Director of Information Technology

25X1 FROM:

[redacted]
Director of Communications

25X1 SUBJECT:

Network Support for SNA Terminals [redacted]

25X1 2. We want to work closely with you to ensure a smooth
25X1 integration of SNA terminals with our packet switched network.
I would like to establish a joint project to accomplish this.
Preliminary discussions with your staff indicate that this is an
appropriate time to set up this project. The consensus of our
staffs is that a 3274 SNA controller and appropriate terminals
can be installed [redacted] for integration testing with
the packet switching system. [redacted]

25X1 2. Attached is our concept for the scope of the project.
25X1 I propose that we have our staffs work out further details on the
plan. [redacted] is our project officer for this effort;
he can be reached [redacted]
